references

"She was a dynamic presence from the offset. Kim was clear about her goals for the term and pursued them vigorously; mentoring Kim was an easy and pleasurable task."

-Richard Furbacher (Architect, Senior Associate), Cannon Design Architecture Inc.

"She has embraced a level of maturity and focused expected in a high performance work environment while always maintaining her sense of enthusiasm and humour. Kim exhibits all of the key characteristics required to succeed in the profession: intelligence, creativity, and imagination balanced out with excellent interpersonal skills and innate leadership qualities."

-Andrew Bousfield (Architect, Principal) Andrew Bousfield Architect

"Kim exhibits strong leadership skills, people seem to gravitate towards her and follow her example. She has an optimistic outlook and can be an excellent influence on staff morale."

-Brian McCullough (Architect, Partner), James Fryett Architect Inc.
